Honorable Members of the Housing Committee:

My name is Beth Bryan and I fully support the concept of fair and equal housing opportunities for all. However, I am upset after learning that anyone accused of violating the CT Fair Housing Law does not have equal protections under our current statutes and I think this is "Unfair " to property owners and needs to be fixed.

I encourage you to vote in favor of House Bill 5342; please contact me if you wish to discuss this matter further. Sincerely,

Beth Bryan
